

# CancerCARE for Life: Personalized Navigation When It's Needed Most

**CancerCARE for Life<sup>SM</sup>**  
an INTERLINK® Health Company

**Navigating a cancer diagnosis can be overwhelming for patients and their families. But what if there was someone by your side, outside of your core medical team, dedicated solely to guiding you through every step? That's the unique value CancerCARE for Life Nurse Navigators bring.**

Our Nurse Navigators are personal advocates, knowledgeable guides, and reliable partners bringing a consistent and caring presence in a system that can feel **fragmented and overwhelming**. They offer **unbiased support** from the moment of diagnosis through treatment and beyond, helping patients understand their options, navigate complex decisions, and manage side effects with confidence.

**Here are some of the key ways our Nurse Navigators provide hands-on support throughout each phase of care:**

**Education and Clarity:** We provide clear, understandable explanations of complex medical information, treatment choices, and potential challenges, giving patients the confidence to make informed decisions.

**Emotional Support:** We offer a compassionate and understanding presence, helping patients and their families cope with the emotional toll of cancer.

**Additional Resources:** We connect patients with support networks and mental health resources, acting as a consistent and reliable partner.

**Barriers to Care:** We assess and address obstacles to care, such as financial concerns, transportation, and logistical hurdles.

**Ready to give your employees and policyholders access to dedicated, independent support throughout their cancer journey?**

Let's connect and explore how our Nurse Navigator services can seamlessly complement and enhance your existing offerings.

## Member Experience

Upon receiving a new prostate cancer diagnosis, a young member contacted CancerCARE, sharing his stress and anxiety. He voiced his concerns about the financial strain of treatment and travel, particularly as a rural resident needing time off work.

The CancerCARE Nurse Navigator provided immediate support, offering financial resources and a list of relevant support groups.

**The member expressed significant relief, stating he had "peace of mind having this service available."**
